Napa Valley Life

magazine

A man with a beard and short hair, wearing a light-colored checkered shirt and dark pants, is sitting on a wooden stool in front of a large window. The window looks out onto a valley with rolling hills under a blue sky with some clouds. The interior wall is a dark, textured color.

WINE COUNTRY EMBRACES ORTHOPAEDIC EXCELLENCE

NAPA VALLEY ORTHOPAEDICS ESTABLISHES PREMIER ORTHOPAEDIC CENTER

Fall is a time of change, and things have definitely changed at Napa Valley Orthopaedic Medical Group. In early September, the practice welcomed returning Napa native and sports medicine specialist, **Dr. Brian Freeto**. And by month's end, Napa Valley Orthopaedics opened the doors of their new facility – the region's leading center for comprehensive, minimally invasive orthopaedics – at 3273 Claremont Way, Suite 100, Napa.

Napa Valley Orthopaedics' newly-remodeled 7500 sq. ft. state-of-the-art facility is designed to provide world-class orthopaedic treatment, with four dedicated subspecialty patient care areas, on-site digital X-ray, full-service casting room and a minor surgical procedure room. The environment is ideal for Napa Valley Orthopaedics' group practice, assuring the highest level of patient services through ongoing consultation among the doctors, and their team of medical assistants, technicians and staff.

The physicians of Napa Valley Orthopaedics provide highly specialized care including: Joint Replacement and Reconstruction, Hand

and Upper Extremities, Spine, Orthopaedic Trauma and Fracture Care, Shoulder, Advanced Arthroscopy and Sports Medicine.

MEET THE NAPA VALLEY ORTHOPAEDICS SURGEONS | **Dr. John Diana** is a pioneer in minimally invasive anterior hip replacement, computer-navigated total knee replacement, the Oxford minimally invasive partial knee replacement and advanced arthroscopic surgery.

Singularly focused on the treatment of spinal disorders, **Dr. Jason Huffman** is a recognized leader in minimally invasive microdecompression, advanced minimally invasive spinal fusion and fusion alternatives including disc replacement and dynamic stabilization.

Napa Valley native **Dr. Michael Shifflett** specializes in advanced arthroscopic surgery, sports medicine, joint replacement and general orthopaedic surgery, and has cared for local athletes for more than 20 years.

Dr. Daniel Birkbeck is fellowship-trained in the surgical and non-surgical treatment of elbow, wrist and hand disorders including traumatic, overuse, and industrial injuries, all

forms of arthritis, peripheral nerve and tendon conditions, and vascular abnormalities.

Working with a spectrum of professional, amateur and everyday athletes, **Dr. Brian Freeto**, specializes in advanced arthroscopic surgery and complex reconstruction of the knee and shoulder.

As the premier multidisciplinary orthopaedic center serving Napa, Sonoma and Solano counties, **Napa Valley Orthopaedics** is committed to providing each patient with exceptional orthopaedic care that facilitates rapid recovery and a return to an active lifestyle. And the opening of their new orthopaedic center is the kind of positive change that benefits our Valley community and beyond.  NVL
