Physician Assistant seeking employment in Plastic Surgery. Interested in working in a team oriented environment with opportunities for a hands-on approach to patient care. Competencies include being a quick study, ability to adapt to new situations, and having a keen sense of how to navigate stressful encounters. My goal is to expand access to healthcare, provide exemplary medical services, and be the optimal PA that directly reflects the ideals of my supervising physician.

SKILLS AND QUALIFICATIONS

- Providing outstanding and compassionate patient care
- Performing procedures such as suturing, I&D, or joint injections with proper sterilization and safety techniques.
- Knowledgeable and comfortable with operating room flow, sterile technique, and assisting surgeries.
- Assessing patient needs and developing effective treatment plans
